

There are pieces of advice how to get Katowice, that actually is not at the back of the beyond.....

Airports:

Katowice - Pyrzowice (KTW)

Kraków - Balice (KRK)

1. The nearest to the meeting venue airport is the Katowice airport : <https://www.katowice-airport.com/en/index/index/0>, you can get Katowice city centre by public bus or taxi (about 30 Euro). Info about available transport you can find at:

<https://www.rome2rio.com/map/Katowice/Pyrzowice>

2. The second one is the Kraków airport: <http://www.krakowairport.pl/en/>. You can take a train to Katowice (not so good connection - slow). The alternative is a taxi directly to Katowice (about 60 euro) or a mini bus/shuttle, not so expensive and quite quick, about 40 minutes. You can book a ticket in advance using:

or

or

if you put in Google "KRAKOW KATOWICE connection" you can find more options ..

3. The Warszawa airport: http://www.lotnisko-chopina.pl/en/passenger?cl=en&set_language=en has the best international connection, there are many direct flights. But you have to take a train to Katowice. A train terminal is just next to the airport, you have to take a train to Warsaw main station (Warszawa Centralna), 15 minutes, and then change to an Intercity train directly to Katowice. It takes about 2.5 hours. There are few trains per day (<http://intercity.pl/en/>). In Katowice the main railway station is in the city centre.

Also you can fly from Warsaw to Katowice airport, recently I was told that this option is cheaper than an intercity train...
